

Thank you for your continued support and partnership throughout 2023. Wishing you and your staff, family, and friends a happy and healthy Holiday Season and Prosperous 2024!

A Year in Review from RST-SANEXAS

1. We announced our partnership with MedMassager, developer and manufacturer of the Foot and Body Massager. Include this in your patient's RST-SANEXAS treatment protocol and watch your patient's outcomes improve in a meaningful and healthy way due to your care.

2. We created a new, updated patient training binder that provides over 50 documents detailing placements, programs, and system guides. The new training binder is available for sale to anyone who already has a system and has been trained but would like to purchase it. We continued to do on-site and zoom trainings to support your staff. Contact us if you would like to schedule.

3. Every month marketing has written and posted on our website www.rstsanexas.com a variety of blogs that you can refer to. Here are a few examples of the blog topics:

- Veterans Who Served Need Our Help
- Experiencing Joint Pain
- Chemotherapy Induced Peripheral Neuropathy
- Finding the Cause and Treating the Pain
- Ways Physical Therapy Can Improve Your Recovery
- Neurons are Nerve Cells That Send Messages All Over Our Bodies
- And there are more.....check them out!

4. Over the year marketing has had the honor of spotlighting in The Healing Connection newsletter clients who have shared the great success they have had with the neoGEN® system when treating their patients. We appreciate you and welcome more featured spotlights on YOU in 2024!!

5. As partners with the Las Vegas Golden Knights, we couldn't be prouder of our hockey team winning the Stanley Cup in 2023. Started as an expansion hockey team in 2017, owner Bill Foley predicted they would win the Stanley Cup in 6 years AND he was right. Bill Foley named the team "Knights" after the United States Military Academy, his alma mater, and according to Mr. Foley, "the epitome of the warrior class." It is true, the Golden Knights fought hard and never gave up their mission to win. We honor their hard work both on and off the ice and their dedication to our community. Go Knights Go!

SANTA - Here is my RST-SANEXAS Products WISH LIST!!
